

To the ORP State Central Committee Members:

Solomon Yue has my full support as Oregon's National Committeeman.

Solomon has the integrity, the respect and the connections that will bring national speakers to Oregon to help win elections in 2024.

In 2015 the Oregon Republican Party was saddled with \$57,606.00 in debt from the two previous ORP Chairs. Donors did not want to waste their money on retiring debt left behind by poor fiduciary decisions of these previous Chairs.

Solomon recruited these national speakers to Oregon to fundraise and **successfully retired** those debts with very little cost to the ORP. He assisted in finding table sponsors, calling donors to attend and successfully helped in raising hundreds of thousands of dollars for the ORP.

Each event was unique with special guests and speakers. No "repeat speakers" year after year.

Without Solomon these events would not have been possible:

- John Fund, Wall St Journal 2016
- David Keene, Washington Times 2016
- Jim Bopp, Citizen's United Litigator 2016
- Gov. Brownback of Kansas 2016
- Gov. Ricketts of Nebraska 2016
- RNC Co-Chair Bob Paduchik, Trump Campaign 2017
- Burgess Owens, National speaker and author 2017
- Steve Yates, National Security Advisor 2017
- Stephen Moore, Senior Economic Advisor to the WH 2018
- LtCol Oliver North, NRA President 2019
- Lara Trump -Trump Campaign 2020
- Candace Owens 2020
- NRA LtCol Willes Lee 2020

Through these events and his efforts on behalf of the Oregon Republican Party the debt was paid and money in the coffers to continue the work of the ORP, voter registration, voter integrity, candidate support and county parties.

This took tireless efforts over four years, but the goal was achieved. The ORP needs strong leadership on a national level now more than ever. Solomon is that leadership.

The ORP needs a team that will fully support President Trump to win back the White House. Solomon has never wavered on his support for President Trump.

I would ask for your vote and for your support for Solomon.

Thank you,

Chris Barreto
