

SOLOMON YUE

Oregon's

NATIONAL COMMITTEEMAN

CAMPAIGN PACKET 2024 • I'M ASKING FOR YOUR VOTE!

www.SolomonYue.com

March 16, 2024

Members of the Oregon Republican Party State Central Committee:

It is an honor to submit this packet to outline my candidacy for Oregon's RNC National Committeeman.

When I first became involved in the Oregon Republican Party, I'd escaped Mao's Cultural Revolution in China to find freedom in America only a few years earlier. I felt then and still believe today that I have a responsibility to give back to this country that has given me so much—a country that literally saved my life and gave my family a future.

Over the years as your National Committeeman, I've been able to help accomplish so much in support of one primary purpose of the RNC: electing Republican presidents. The position of National Committeeman is designed to function at the level of presidential politics, so when President Donald Trump thanked me for my efforts by phone last November, I was moved. I've been fortunate to meet him in person twice in this past year.

Change only for the sake of change is not a positive. Now, just when President Trump is poised to reenter the White House, is not the time to remove one of his loyal, battle-tested supporters within the RNC. Because of established relationships, I've been able to get issues straight to President Trump's desk on behalf of Klamath County farmers and Harney County ranchers, for example. A new National Committeeman will never have that ability while President Trump is in office; most RNC members don't.

Because of my seniority at the RNC, I've been the only member of Oregon's RNC contingent to write and pass national policy focused on Oregon's key issues. Without these resolutions, Oregon would have had virtually no voice in the direction of the RNC, and would have gone unnoticed and unheard where presidential administrative policy is concerned.

Continued on the Next Page...

Last month, I submitted three of those adopted RNC resolutions to be incorporated into the 2024 RNC National Platform. **Oregon grassroots, I made sure your voice helped shape the direction of the RNC.** This process has taken me two full years to achieve—and this is the first time in ORP’s history that it has been. President Trump has talked about these policy positions during media interviews and rallies. These planks will be based on these resolutions from Oregon: Condemning Biden’s open border policy inviting a massive illegal alien invasion of America calling for deportation; To protect Children from Unsafe Sex Change Operations and Experimentation; and To Hold CCP China Accountable for Covid-19 Damages.

At my own expense, I’ve contributed over a quarter of a million dollars in travel funds to attend not just the three RNC meetings per year, but the meetings held by the more senior-level committees on which I sit. I have helped the ORP to raise hundreds of thousands of dollars over the years due to securing keynote speakers—and I brought in Republican governors for Dennis Richardson’s campaign. I hand-sold sponsorships and tickets to many events. My efforts have been critical in erasing tens of thousands of dollars in debt. I will continue that contribution, and keep registering voters in targeted areas via Republicans Overseas to support the RNC and ORP.

Finally, another primary purpose of the RNC membership is to elect the national party’s Chair and executive team. I’ll always vote with the will of Oregon’s grassroots Republicans, not the establishment, as I proved during the last RNC Chair election.

I’m asking for your vote. Please help me continue to bring a voice of experience from Oregon to the White House and to the RNC so we can Make America Great Again, flip Oregon red, and save our republic.

Sincerely,

Solomon

Solomon Yue, Jr.
(8th in seniority among the 168)

ENDORSEMENTS

“I fully endorse Solomon Yue for National Committeeman. Solomon has been a quiet giant in support of Oregon’s rural ag industries on a national scale. From Klamath County farmers and their water rights battles to Jackson County loggers to a Harney County ranching family, he has been able to get what was needed directly to President Trump’s desk. I’m asking ORP’s delegates to send Solomon back to the RNC to add to his long line of victories for Oregon.”

ENDORSEMENTS

“I served as secretary for the ORP for four terms from in 2001-2009 and as Oregon Republican National Committeewoman in DC for two terms from 2008-2016. Solomon represents Oregon very well. He not only lobbied for President Bush’s “Healthy Forests” plan for Oregon, but he also brought the President here to tour the wildlife devastation at Squires Peak, southwest of Medford, in 2002. He specifically brought President Bush to Oregon to get White House support for our state in a time of need for our citizens and our timber industry. I am pleased to endorse Solomon Yue as National Committeeman for Oregon.”

—**Donna Cain**

Retired ORP National Committeewoman

“I’ve been able to meet nearly all the endorsers in this packet, and I’ve seen the same things they’ve seen in Solomon’s amazing work. I’ve been there while he advocated for Oregon directly to President Trump, and I’ve seen how respected he is within the RNC. But let me cast politics aside for a minute and tell you about Solomon as a person. Behind closed doors, he is staunchly conservative and principled. He is smart, patient, wise, generous, kind, and strong. He’s a blessing to everyone around him, including the ORP and RNC.”

—**Kerry McQuisten**

Sr. Advisor for Republicans Overseas,
Oregon Republican gubernatorial
candidate (2022),
Former Mayor of Baker City

ENDORSEMENTS

“Solomon has the integrity, the respect and the connections that will bring national speakers to Oregon to help win elections in 2024. In 2015, the ORP was saddled with \$57,606 in debt from the two previous ORP Chairs. Donors did not want to waste their money on retiring debt left behind by poor fiduciary decisions of these previous Chairs. Solomon recruited national speakers to Oregon to fundraise and successfully retired those debts with very little cost to the ORP. He assisted in finding table sponsors, calling donors to attend and successfully helped in raising hundreds of thousands of dollars for the ORP.”

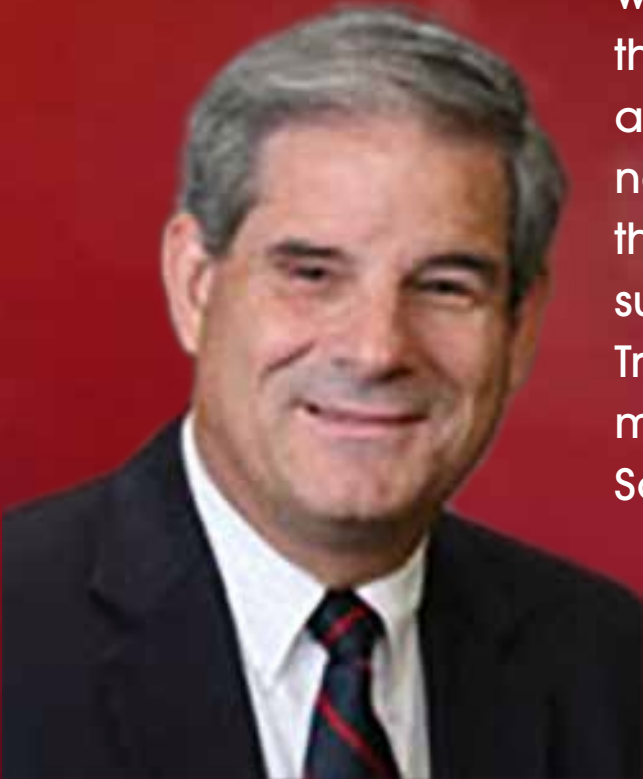

—Chris Barreto
Former Oregon
National Committeewoman, ORP VC,
Finance Chair, and Secretary (Retired)

“There is no member of the RNC gifted with a more potent combination of soaring intellect, patriotism, courage and just plain heart than Solomon Yue of Oregon. He is always on the front lines of fights for the very survival of America, whether as a nation under invasion by hostile forces, political attack from within, or individually under physical attack by a communist virus. **Solomon is Oregon’s sole distinguishing presence in the national party.**”

—Patti Lyman
National Committeewoman, VA;
Immigration Attorney;
Member of RNC’s Resolutions Committee

ENDORSEMENTS

“There are two kinds of members at the RNC: those who are social members, and those who do the work. Solomon Yue is the leader of those who do the work. In 2016, there was an attempt to shoehorn Paul Ryan into the nomination for President. Solomon stopped the disenfranchisement of 24 million Trump-supporting Americans. He protected President Trump’s nomination—and President Trump told me that himself. I encourage Oregon to keep Solomon among the 168 at the RNC.”

—**Bruce Ash**

Former National Committeeman, AZ;
Former Chair,
RNC’s Standing Rules Committee

“When Solomon Yue and Jim Bopp co-founded the RNC Republican National Conservative Caucus (RNCC), their goals were not only to restore founding principles, but to create a bottom-up national party for grassroots empowerment. Today, RNCC is giving grassroots a voice at the national level by assisting the passage of conservative resolutions at the RNC. Solomon is the chief sponsor of those resolutions.”

—**Roger Villere**

National Committeeman, LA;
Chair of the Republican National
Conservative Caucus (RNCC)

ENDORSEMENTS

“I got to know Solomon Yue well during my two terms serving as Co-Chairman of the RNC. There are few people in leadership with greater determination and experience than Solomon. He truly loves the Republican Party and more importantly, the USA. I fully endorse his candidacy for another term representing Republicans in Oregon as its National Committeeman.”

—**Tommy Hicks**

Former RNC Co-Chair;
Former National Finance Co-Chair for
President Trump with Don Trump, Jr.;
Chair of America First Policies

“Solomon has been a champion for conservative issues and values. He has been one of the most effective members at getting resolutions passed by the RNC. He is thoughtful, strategic, and respected. It has been an honor serving with Solomon on the RNC.”

Solomon stands on the side of God, family and country. As Oregon’s MAGA National Committeeman, he votes with the wishes of Oregon’s grassroots in the RNC and is shaping the RNC platform with Oregon’s key conservative issues. I encourage you to vote for Solomon.”

ENDORSEMENTS

“I fully endorse Solomon and encourage his re-election. I have had the pleasure of working with him for the past six years. He is an excellent resource for Oregon and is respected at all levels. I believe he deserves our vote of support.”

—**Sen. Lynn Findley**
Immediate past Oregon Senate
Caucus voting member of the
ORP Executive Committee

“Solomon is one of the strongest and most conservative voices in the RNC. He’s one of the most effective leaders there, and within Trump’s orbit, considered Oregon’s MAGA National Committeeman. He consistently fights for Oregon’s grassroots. Without Solomon, the Vote Your Conscience faction may have hijacked Trump’s 2016 nomination.”

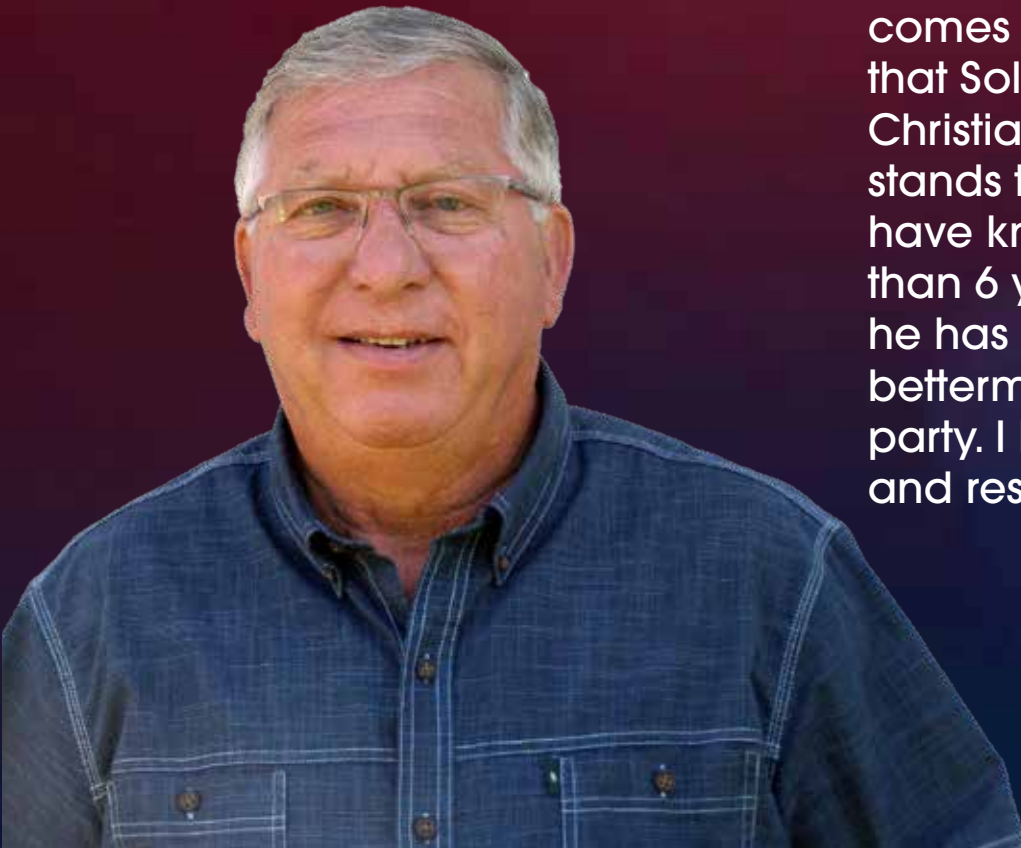

—**Russ Walker**
2020 Oregon Senior
Advisor for Trump campaign,
2019 - 2020 Advisor to the Klamath
Basin Farmers Water Rights group,
2016 Trump Campaign Floor Whip
at the RNC National Convention
2009 - 2011 Vice Chairman of the
Oregon Republican Party

ENDORSEMENTS

“I hope ORP delegates realize what we stand to lose if Solomon Yue isn’t re-elected. With President Trump returning to the White House, we have in Solomon the ability to directly lobby for Oregon’s grassroots. He did this in Klamath County for farmers on water issues, and again just a couple months ago for us when a Harney County rancher needed to make contact with Trump. A new Oregon NCM will have no relationship to the President or his staff. Without Solomon, ORP loses this crucial ability.”

—**Gretchen Bates**
Chair, Harney County Republicans

“My endorsement of Solomon Yue comes with no hesitation knowing that Solomon is a Patriot, a Christian and a man who understands the importance of family. I have known him for a little more than 6 years, with the decisions he has made as NCM for the betterment of the country and the party. I have been proud to know and respect Solomon Yue.”

—**John Large**
Chair,
Lane County Republicans

ENDORSEMENTS

“I’m pleased to endorse Solomon Yue for Oregon Committeeman. Solomon has been a conservative voice on the RNC at a critical time. He doesn’t just sit on his laurels either. He’s a leader who contributes in meaningful ways for our country by authoring and sponsoring timely resolutions that even President Trump cites in his speeches. For this and so many other reasons, I urge you to vote Solomon Yue for Oregon National Committeeman.”

—**Drew McKissick**
Immediate Past RNC Co-Chair

“Solomon Yue has my full and total support for National Committeeman of Oregon. Solomon goes against the grain and votes for his principles when the majority continues to disregard and dismiss the grassroots. He’s a strong advocate for Oregon in the RNC and a genuine patriot.”

—**Charlie Kirk**
CEO, Turning Point Action
